5. Route Map of venue of Annual General Meeting is annexed to the Notice.

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

Item No. 2

M/s Kalyaniwalla & Mistry LLP, Chartered Accountants, Mumbai having Firm Registration No: 104607W/ W100166, the present Statutory Auditors of the Company who was holding office until the conclusion of the 12th Annual General Meeting (AGM) to be held in year 2022, have given notice in writing by expressing its ineligibility to continue due to completion of permissible term of three years as mandated by RBI vide its Circular. DoS. CO.ARG/SEC.01/08.91.001/2021-22, dated April 27, 2021.

Accordingly, the Board at its meeting held on 23rd September 2021 has proposed and approved the appointment of M/s. Khandhar Mehta & Shah, Chartered Accountants, bearing registration no. 125512W as the Statutory Auditors of the Company for the period of three years.

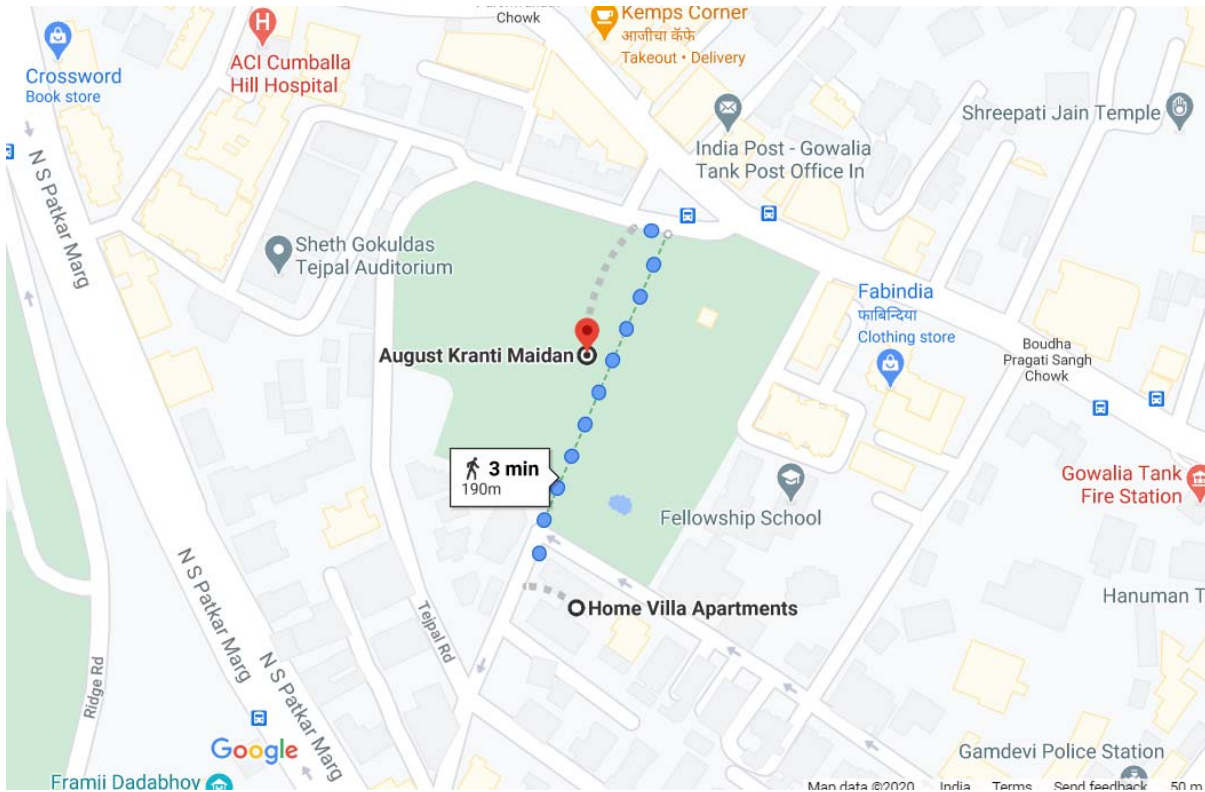

M/s. Khandhar Mehta & Shah, have given their consent for appointment as the Statutory Auditors of the Company. They have confirmed their eligibility for appointment in terms of the applicable provisions of the Companies Act, 2013, read with the applicable rules made under and also in accordance with the guidelines issued by RBI (including any statutory modification(s) or re-enactment thereof for the time being in force) and they have also confirmed that they are not disqualified for appointment under the applicable provisions of the Companies Act, 2013.

M/s. Khandhar Mehta & Shah, shall hold office from the conclusion of this Annual General Meeting till the conclusion of the Annual General Meeting to be held in calendar year 2024, at such remuneration as may be mutually agreed between the Board of Directors and the Auditors.

Relevant documents/ certificates are open for inspection at the Registered Office of the Company during the business hours on any working days except Saturdays, Sundays & Public Holidays between 11.00 a.m. to 1.00 p.m. upto the date of Annual General Meeting and the same is also available at the Annual General Meeting for inspection by the members.

None of the Directors, Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 2 of the notice. The Board of Directors recommends the Ordinary Resolution set out at Item No. 2 of the notice for approval by the members.

- (ii) Identify potential intra-group conflicts of interest.
- (iii) Assess whether there are effective systems in place to facilitate exchange of information for effective risk oversight of the group.
- (iv) Assess whether the corporate governance framework addresses risk management across the group.
- (v) Carry out periodic independent formal review of the group structure and internal controls.
- (vi) Articulate the leverage of the Group and monitor the same.

AUDITORS:

At the Annual General Meeting held on September 28, 2017, M/s. Kalyaniwalla & Mistry LLP, Chartered Accountants, Mumbai (Firm Registration No: 104607W/W100166), were appointed as the Statutory Auditors of the Company for a term of five years to hold the office till the conclusion of Annual General Meeting to be held in the calendar year 2022.

However in view of Notification no DOS.CO.ARG/SEC.01 /08.91.001/2021-22 dated April 27, 2021 issued by Reserve Bank of India applicable to all the CICs, the statutory auditors holding office for over three years need to be rotated.

Your Company has received notice in writing from M/s. Kalyaniwalla & Mistry LLP, Chartered Accountants, Mumbai (Firm Registration No: 104607W/W100166) by expressing its ineligibility to continue as Statutory Auditors due to completion of permissible term of three years as mandated by RBI vide its Circular. DoS. CO.ARG/SEC.01/08.91.001/2021-22, dated April 27, 2021.

Accordingly the Company has identified and short listed the following two firms of Chartered Accountants, one of whom to be appointed as Statutory Auditors for the period from the conclusion of the Annual General Meeting to be held in 2021 till the end of Annual General Meeting to be held in 2024.

M/s. Khandhar Mehta & Shah

M/s. Natvarlal Vepari & Co.

Out of above the Board has finalised the appointment of M/s. Khandhar Mehta & Shah as the Statutory Auditor of the Company.

The Company has received the consent and eligibility in accordance with the following provisions; same has been placed before the Board at its meeting held on said date;

1. The Board has received Consent in accordance with Section 139(1) and Eligibility Certificate as per Section 141 of the Companies Act, 2013 read with Rule 4 (1) of the Companies (Audit and Auditors) Rules, 2014.
2. Eligibility Certificate in FORM B in the attached format as per RBI guidelines for appointment of SAs.

The Board has also recommended the appointment of M/s. Khandhar Mehta & Shah as the SA of the Company for the approval of shareholders at the AGM notice appended along with this report.

AUDITORS' REPORT:

The auditors' report for the financial year ended 31st March 2021 does not contain any qualifications, reservations or adverse remarks.

DETAILS OF FRAUDS REPORTED BY AUDITORS:

There were no frauds reported by the Statutory Auditors under provisions of Section 143(12) of the Companies Act, 2013 and rules made thereunder.

SECRETARIAL AUDIT AND SECRETARIAL COMPLIANCE REPORT:

Pursuant to the provisions of Section 204 of the Act read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board of Directors had appointed M/s. Robert Pavrey & Associates, Practicing Company Secretaries as Secretarial Auditor of the Company. The Audit Report of the Secretarial Auditor is attached as "**Annexure – A**".

INTERNAL FINANCIAL CONTROLS

The Company has in place adequate internal financial controls with reference to financial statements. During the financial year, such controls were tested and no reportable material weakness in the design or operation was observed.

HOLDING COMPANY:

Your Company continued as a Wholly Owned Subsidiary of Rayirth Holding and Trading Company Private Limited (Rayirth) and during the year under review Rayirth was continued as the subsidiary of Mefree LLP.

Mefree LLP is the Ultimate Holding of the Company.

DETAILS OF SUBSIDIARY COMPANY, ASSOCIATE COMPANY AND JOINT VENTURES:

Your Company's subsidiary, Canes Venatici Trading Private Limited has reported a loss of Rs. 1,66,304/- during the financial year ended 31st March 2021.

Your Company does not have any Associate or Joint Venture Companies. A statement containing salient features of the financial statements and other necessary information of the subsidiary companies in the format prescribed under Form AOC-1 is included in the Annual Report as 'Annexure B'.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS UNDER SECTION 186 OF THE COMPANIES ACT, 2013 DURING THE FINANCIAL YEAR 2020-21:

The Company is registered as Core Investment Company with RBI. Thus, the provision of Section 186 except sub-section (1) of the Act is not applicable to the Company.

DIRECTORS' RESPONSIBILITY STATEMENT UNDER SECTION 134(3)(c) OF THE COMPANIES ACT, 2013:

Your Directors state that:

- (a) In the preparation of the annual accounts for the year ended 31st March, 2021, the applicable accounting standards had been followed and there are no material departures from the same;
- (b) The Directors have selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2021 and of the Profit and Loss of the Company for the year ended on that date;
- (c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) The Directors have prepared the annual accounts on a 'going concern' basis.
- (e) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.
- (f) The Directors have laid down proper internal financial control and that such internal financial controls are adequate and operating effectively.

SECRETARIAL STANDARDS:

During the financial year, the Company has complied with the applicable provisions of the Secretarial Standards issued by the Institute of Company Secretaries of India.

RISK MANAGEMENT:

The Company has laid down a Risk Management Policy, defining Risk profiles involving Strategic, Technological, Operational, Financial, Organisational, Legal and Regulatory risks within a well defined framework. The Risk Management Policy acts as an enabler of growth for the Company by helping its businesses to identify the inherent risks, assess, evaluate and monitor these risks continuously and undertake effective steps to manage these risks.

The Risk Management Committee consist of the members as mentioned hereinabove were appointed in accordance with the requirements provided RBI notification no. RBI/2019-20/88 DOR.NBFC (PD) CC. No.102/03.10.001/2019-20 dated 4th November 2020 to review the robustness of the Risk Management Policy. The periodical update on the risk management practices and mitigation plan, if any of the Company were placed before the Board of Directors. The Board periodically reviewed the updates and findings and suggested the areas where internal controls and risk management practices can be improved.

EXTRACT OF ANNUAL RETURN:

Pursuant to provisions of Section 92(3) of the Companies Act, 2013 and Rule 12(1) of the Companies (Management and Administration) Rules, 2014 as amended from time to time, extract of Annual Return in Form MGT-9 is annexed as 'Annexure C' to this report.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:

During the year, the Company had not entered into any contract / arrangement / transactions with related parties which were not in the ordinary course of business or not on arms' length basis. The Company had not entered in to any transaction with related party that could be considered as material. The related party transactions are disclosed under the Notes to Financial Statements for the year 2020-21.

The particulars of contracts or arrangements with related parties referred to in Section 188(1), as prescribed in Form AOC – 2 under the Companies Act, 2013, is appended as 'Annexure D'.

Additional Related Party Disclosures in compliance with Regulation 53(f) and Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is provided at the financials of the Company. The policy on Related Party Transactions as approved by the Board is uploaded on the Company's website <http://sattvaholding.com/Display/codeofConduct>.

CHANGE IN THE NATURE OF BUSINESS, IF ANY:

There is no change in the nature of business carried on by the Company. The Company has not changed the class of business in which the Company has an interest.

SEXUAL HARASSMENT POLICY:

The Company has formed and implemented the policy on Sexual Harassment of Women at Workplace pursuant to the provisions of Sexual Harassment of Woman at Workplace (Prevention, Prohibition & Redressal) Act 2013. However, number of employees in the Company is less than the prescribed limit. Hence, the Company has not formed any committee as required under aforesaid provisions.

The company did not receive any such complaints during the year.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2021
[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Sattva Holding and Trading Private Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Sattva Holding and Trading Private Limited (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2021 (“**Audit Period**”) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (“Act”) and various rules (“**Rules**”) made thereunder;
- (ii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iii) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (iv) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; and
- (v) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with BSE Ltd.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that, there were no events/actions in pursuance of:

- (i) The Securities Contracts (Regulation) Act, 1956 (“**SCRA**”) and the rules made thereunder;
- (ii) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (iii) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (iv) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- (v) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (vi) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; and
- (vii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

requiring compliance thereof by the Company during the Audit Period.

We further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, the Company has complied with the following laws applicable specifically to the Company:

- Master Direction – Core Investment Companies (Reserve Bank) Directions, 2016

We further report that the Company is duly constituted with proper balance of non-executive directors and independent director (though the Company is not required to have independent directors). There is no change in the composition of the Board of Directors which required compliance with the provisions of the Act.

Adequate notice is given to all the directors to schedule the board meetings, agenda and detailed notes on agenda were sent at least seven days in advance, except for the board meeting held on 25th February, 2021, which was held at shorter notice and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded. All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the respective meetings of the Board or Committee thereof.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that, during the Audit Period, the following events occurred which had a bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations and guidelines:

- 1) Restructuring by resetting of redemption premium for 198 Rated, Secured, Redeemable Non-Convertible Debentures listed on BSE Limited with effect from February 5, 2021.

“Annexure A”

To,
The Members
Sattva Holding and Trading Private Limited

Our report of even date is to be read along with this letter.

1. Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the process and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Whereever required, we have obtained the Management Representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedure on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

To,
The Board of Directors,
Sattva Holding and Trading Private Limited

We have been engaged to conduct the secretarial audit ("**Audit**") of the records of Sattva Holding and Trading Private Limited ("**Company**") for the financial year ended on March 31, 2021. In view of the situation arising because of the Covid-19 pandemic across the world, the government of India had announced a State restriction on all commercial establishments, other than those providing essential services, with effect from April 14, 2021 ("**Curfew Date**"). The restriction binding on the state of Maharashtra where the registered office of the the Company is situated, during which period physical access and entry to the registered office of the Company has been restricted.

Since the secretarial audit is an ongoing process, after the Curfew Date levied by the government of Maharashtra, for the purposes of completion of the Audit, we have been provided soft copies of documents, registers, books and papers, minute books, forms and returns filed and other records maintained by the Company. The information and books, papers, minute books, forms and returns filed and other records provided for our verification are in the non-editable and printable format.

However, after the restriction is lifted in the state of Maharashtra where the registered office of the Company, we request you to provide us the relevant copies of extract of signed documents for our records.

We believe that books, papers, minute books, forms and returns filed and other records maintained by the Company though provided to us through in electronic form are the same as the physical records maintained by the Company at its registered office.

CHARTERED ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SATTVA HOLDING AND TRADING PRIVATE LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the standalone Ind AS financial statements of Sattva Holding and Trading Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the standalone financial statements for the year ended March 31, 2021. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Directors report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significant in the audit of the standalone financial statements for the year ended March 31, 2021

and are therefore the key audit matters. We describe these matters in our auditors report unless law or regulation preclude public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by section 143 (3) of the Act, we report, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure 'B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- (g) With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us, we further report that:
 - i. The Company does not have any pending litigations on its financial position in its standalone financial statements.
 - ii. The Company did not have any Long Term Contracts including derivative contracts for which there were any material foreseeable losses.

**KALYANIWALLA
& MISTRY LLP**

- iii. There are no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'A' to the Independent Auditor's Report

Referred to in Para 1 under 'Report on Other Legal and Regulatory Requirements' of our Report to the members of the Company on the standalone financial statements for the year ended March 31, 2021:

Statement on Matters Specified in paragraphs 3 and 4 of the Companies (Auditors Report) Order, 2016

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The Company has a regular program for physical verification of fixed assets by which all the fixed assets are verified in phased manner over a period of two years. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

(c) The Company does not own any immoveable property. Accordingly, paragraph 3(i)(c) of the Order is not applicable.
2. The Company is a Systematically Important - Non Deposit - Core Investment Company. Accordingly, the Company does not have any physical inventory. Accordingly, paragraph 3 (ii) of the Order is not applicable to the Company.
3. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, and limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
4. According to the information and explanations given to us, the Company has not given any loan to parties covered under Section 185 of the Companies Act, 2013. The Company has not given any loans or guarantees and being an investment company, its investments are exempted under section 186 (1) (b), hence, the Company has complied with the provisions of section 185 and 186 of the Act, as applicable.
5. According to the information and explanations given to us, the Company has not accepted any deposits from the public as per the directives issued by Reserve Bank of India and the provisions of sections 73 to 76 or any other applicable provisions of the Act and the rules framed there under. Accordingly, paragraph 3 (v) of the Order is not applicable to the Company.
6. The Central Government has not prescribed the maintenance of cost records under section 148 (1) of the Companies Act, for any of the services rendered by the Company. Accordingly, paragraph 3 (vi) of the Order is not applicable to the Company.

7. (a) According to the information and explanations given to us and the records examined by us, the Company is generally regular in depositing undisputed statutory dues, including dues pertaining to provident fund, employees' state insurance, income-tax, goods and service tax, profession tax, cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, there are no undisputed dues which have remained outstanding as at the end of the financial year, for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no dues of income tax, goods and service tax, profession tax, provident fund, employee state insurance and other statutory dues which have not been deposited on account of any disputes.
8. According to the information and explanations given to us and based on the documents and records produced before us, there has been no default in repayment of loans or borrowings to financial institutions or debenture holders or banks. There were no loans or borrowings taken from the government during the year.
9. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans. Accordingly, paragraph 3 (ix) of the Order is not applicable to the Company.
10. Based upon the audit procedures performed by us, to the best of our knowledge and belief and according to the information and explanations given to us by the Management, no fraud by the Company or fraud on the Company by its officers or employee has been noticed or reported during the year.
11. The Company has not paid / provided for any managerial remuneration except for sitting fees paid to directors which is in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3 (xii) of the Order is not applicable to the Company.
13. According to the information and explanations given to us and based on the documents and records produced before us, the transactions with related parties are in compliance with section 188 of the Act, where applicable and the details thereof have been disclosed in the Financial Statements as required by the applicable accounting standards. Since this is a private limited company, provisions of section 177 of the Act are not applicable to the Company.
14. According to the information and explanations given to us and based on the documents and records produced before us, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the provisions of Clause (xiv) of the order are not applicable.
15. According to the information and explanations given to us and based on the documents and records produced before us, the Company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, the provisions of Clause (xv) of the Order are not applicable.

**KALYANIWALLA
& MISTRY LLP**

16. The Company is registered under section 45 – IA of the Reserve Bank of India Act, 1934 as a Systematically Important - Non Deposit - Core Investment Company.

Annexure 'B' to the Independent Auditor's Report

The Annexure referred to in Para 2 (f) under 'Report on Other Legal and Regulatory Requirements' of our Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended March 31, 2021:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **SATTVA HOLDING AND TRADING PRIVATE LIMITED** ("the Company") as at March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

1) Background Information

Sattva Holding and Trading Private Limited (the "Company") (formerly Isis Holding and Trading Company Private Limited) is a private limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956 with its registered office in Mumbai, Maharashtra, India. The company changed its name during the year ending 31st March, 2018 after obtaining necessary approvals from the Registrar of Companies. The Company has been registered as Non-Banking Financial Company- Core Investment Company- Non Deposit taking – Systemically Important (NBFC-CIC-ND-SI) with Reserve Bank of India (RBI) on 21st June 2019. The Company is engaged in the business of investments in shares and securities.

The Company has become listed effective 5th February, 2020 consequent to issuance of Secured Rated Listed Redeemable Transferable Non - Convertible Debentures through private placement.

The functional and presentation currency of the Company is the Indian Rupee which is the currency of the primary economic environment in which the Company operates.

Mefree LLP is the ultimate parent of the Company and Rayirth Holding and Trading Company Private Limited is the Holding Company. Information on other related party relationships of the Company is provided in Note 10.

The financial statements of the Company for the year ended 31st March, 2021 were approved and authorised for issue by Board of Directors on 31st May, 2021.

2) Significant accounting policies followed by the Company

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below

a) Basis of preparation :

(i) Statement of Compliance with Ind AS

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the years presented in the financial statements.

(ii) Basis of preparation and presentation of Financial Statements

The financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments measured at fair value at the end of each reporting period as explained in accounting policies below.

The Company presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note 11.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(iii) Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Key sources of estimation of uncertainty at the date of the financial statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year is in respect of:

- impairment test of non-financial assets: key assumptions underlying recoverable amounts including the recoverability of expenditure on intangible assets;
- recognition of deferred tax assets;
- measurement of defined benefit obligations: key actuarial assumptions;
- Financial instruments – Fair values, risk management and impairment of financial assets
- estimates of useful lives and residual value of Property, Plant and Equipment and Other Intangible Assets
- recognition and measurement of provisions and contingencies; key assumptions about the likelihood and magnitude of an outflow of resources, if any.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

(iv) Fair value measurements

When the fair value of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured at the quoted price in the active markets, their fair value is measured using the valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values, judgments includes consideration of inputs such as liquidity risk, credit risk and volatility.

b) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

c) Financial Instruments

(i) Classification

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instruments of another entity.

Financial assets, other than equity, are classified into financial assets at fair value through other comprehensive income (FVOCI) or fair value through profit and loss account (FVTPL) or at amortised cost. Financial assets that are equity instruments are classified as FVTPL or FVOCI. Financial liabilities are classified as amortised cost category and FVTPL.

Business Model assessment and Solely payments of principal and interest (SPPI) test:

Classification and measurement of financial assets depends on the business model and results of SPPI test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including;

- how the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- how managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).

(ii) Initial recognition

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of profit and loss.

(iii) Subsequent measurement

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

Equity Instruments at FVOCI

The Company's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 'Financial Instruments: Presentation' and are not held for trading.

Gains and losses on these equity instruments are never recycled to profit or loss. Dividends from these equity investments are recognised in the statement of profit and loss when the right to receive the payment has been established.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Financial assets at Fair value through Profit and loss

Financial assets are measured at FVTPL unless it is measured at amortised cost or at FVOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit and loss are immediately recognised in profit or loss.

Financial Liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Financial Liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is also recognised as profit or loss respectively.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Other Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost using effective interest rate method where the time value of money is significant. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximates the fair value due to the short maturity of these instruments.

(iv) Derecognition of Financial assets and Financial liabilities

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

A financial liability is derecognised when, and only when, the obligation under the liability is discharged, cancelled or expired.

(v) Impairment of financial instruments

The Company recognizes a loss allowance for expected credit losses on a financial asset that is at amortized cost or fair value through OCI. Loss allowance in respect of financial assets is measured at an amount equal to life time expected credit losses and is calculated as the difference between their carrying amount and the present value of the expected future cash flows discounted at the original effective interest rate.

(vi) Reclassification of Financial assets

The Company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the Company changes its business model for managing such financial assets. The Company does not re-classify its financial liabilities.

d) Determination of fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

e) Investment in subsidiaries

The company has chosen to carry the investments in subsidiaries at cost less impairment, if any.

f) Foreign currency transactions and translation

The management of the Company has determined Indian Rupee ("INR") as the functional currency of the Company. In preparing the financial statements, transactions in currencies other than the entity's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Non-monetary items carried at fair value that are denominated in foreign currencies are re-translated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

Exchange differences arising out of these translations are recognised in the Statement of Profit and Loss.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

g) Property, Plant and Equipment and Other Intangible Assets

Property, plant and equipment and other intangible assets are stated at cost of acquisition less accumulated depreciation / amortisation and accumulated impairment losses, if any. Cost includes all expenses incidental to the acquisition of the property, plant and equipment and any attributable cost of bringing the asset to its working condition for its intended use. Subsequent costs are capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognized in statement of profit and loss as incurred.

Capital work in progress and Capital advances

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment and other intangible assets outstanding at each Balance Sheet date are disclosed in Other Non-Financial Assets.

Depreciation of property plant and equipment

Depreciation on property, plant and equipment is provided on written down value basis as per the useful life prescribed in Schedule II of the Companies Act, 2013, taking residual value as Re.1/-. Further, assets individually costing INR 5,000/- or less are fully depreciated in the year of purchase.

Nature of property, plant and equipment	Useful life in years
Office Equipment	5 years
Computer	3 years

The Company provides pro-rata depreciation from the date the asset is ready for its intended use and in respect of assets sold, depreciation is provided upto the date of disposal.

The residual values, estimated useful lives and method of depreciation of property, plant and equipment are reviewed at end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Amortisation of other intangible assets

Intangible assets comprising of software purchased are amortized on a written down value over the useful life of the software commencing from the year in which such software is first ready for its intended use. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Derecognition of property, plant and equipment and other intangible assets

Property, plant and equipment and other intangible assets are derecognised on disposal or when no future economic benefits are expected to arise from its continuous use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property, plant and equipment and other intangible assets is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

h) Leases

The Company's lease asset classes primarily consist of lease for office premises. The Company assesses whether a contract contains a lease at the inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether : (i) the contract involves the use of an identified asset; (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease, and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low-value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment of whether it will exercise an extension or a termination option.

Lease liability has been included under 'Other Financial Liabilities' in the Balance Sheet and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

i) Impairment of non - financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the statement of profit and loss in the period in which impairment takes place.

A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods. A reversal of an impairment loss is recognised immediately in the statement of profit and loss.

j) Revenue recognition

(i) Interest Income or interest expense

Under Ind AS 109 interest income or expense is recorded using the effective interest rate (EIR) method for all financial instruments measured at amortised cost. The EIR is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

(ii) Dividend income

Dividend income (including from FVOCI investments) is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when the shareholders approve the dividend.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

(iii) Gain and loss from financial instruments

The realised gains / losses from financial instruments at FVTPL represents the difference between the carrying amount of a financial instrument at the beginning of the reporting period, or the transaction price if it was purchased in the current reporting period, and its settlement price.

The unrealised gains / losses represents the difference between the carrying amount of a financial instrument at the beginning of the period, or the transaction price if it was purchased in the current reporting period, and its carrying amount at the end of the reporting period.

k) Employee benefits

(i) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the year.

(ii) Post Employment Benefits

Defined Contribution Plans

The Company's state governed provident fund scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

Defined Benefit Plans - Gratuity

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of plan assets, if any, is deducted from such determined present value.

The discount rate used for determining the present value is based on the Indian Government Securities yields prevailing as at the balance sheet date that have maturity date equivalent to the tenure of the obligation.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at the end of each annual reporting period.

Remeasurements arising from defined benefit plans, comprising of actuarial gains and losses, the return on plan assets in excess of what has been estimated and the effect of the asset ceiling, if any, in case of over funded plans are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. All other expenses related to defined benefit plans is recognised in employee benefit expenses in statement of profit and loss. Remeasurements are not reclassified to profit or loss in subsequent periods.

When the benefits of the plan are changed, or when a plan is curtailed or settlement occurs, the portion of the changed benefit related to past service by employees, or the gain or loss on curtailment or settlement, is recognized immediately in the profit or loss account when the plan amendment or when a curtailment or settlement occurs.

(iii) Other Long term Benefits - Compensated absences

Compensated absences are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date. The Company's liability towards compensated absences is determined on the basis of valuations, as at balance sheet date, carried out by an independent actuary using Projected Unit Credit Method. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the statement of profit and loss.

l) Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest method.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

m) Accounting for provisions contingent liabilities and contingent assets

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, the amount of a provision shall be the present value of the expenditures expected to be required to settle the obligation.

Contingent liabilities are not recognised in the financial statements. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Company does not recognise contingent asset.

Provisions, contingent assets, contingent liabilities and commitments are reviewed at each balance sheet date.

n) Taxation

Income tax expense comprises both current and deferred tax. Current and deferred taxes are recognised in the statement of profit and loss except when they relate to items credited or debited either in other comprehensive income or directly in equity in which case the tax is also recognised in other comprehensive income or directly in equity.

Current Tax

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax assets and liabilities are recognised on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

o) Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. In computing diluted earnings per share, only potential equity shares that are dilutive are included.

p) Dividends on ordinary shares

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the Companies Act, 2013, a final dividend is authorised when it is approved by the shareholders in the annual general meeting. A corresponding amount is recognised directly in equity.

q) Segment reporting

The Company is primarily engaged in the business of investment in Companies including group companies. As such the Company's financial statements are largely reflective of the investment business and there is no separate reportable segment. Pursuant to Ind AS 108 - Operating Segments, no segment disclosure has been made in these financial statements as the Company has only one geographical segment and no other separate reportable business segment.

Of the above investments, 18,224,500 shares (31.March.2020 : 23,785,344 shares;) of Asian Paints Limited are pledged against borrowings.

Investment in Equity instruments designated at fair value through other comprehensive income

The company has elected to designate the investment in equity shares, which are neither held for trading nor received as contingent consideration in business combination, at fair value through other comprehensive income (FVOCI). The company chose the option of designating these investments to be recognised as FVOCI, as these equity instruments are not held for trading and management has elected to classify the same irrevocably as equity instruments at FVOCI.

Reclassification

During the current or previous reporting periods the company has not reclassified any investments since its initial classification. The company has not transferred any Financial assets which are transferred but are not derecognised in books of accounts.

More information regarding the valuation methodologies can be found in Note 12.

	<u>12,24,600.70</u>	<u>7,97,714.56</u>
Nature of reserves		

a) Statutory Reserve

It represent reserve created under Section 45-IC of the Reserve Bank of India Act, 1934, as amended by RBI (Amendment) Act, 1997, whereby every non banking financial company is required to transfer a sum of not less than 20% of its net profit every year as disclosed in the statement of profit and loss to statutory reserve.

b) Retained Earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to statutory reserve as per Section 45-IC of the Reserve Bank of India Act. 1935.

c) Equity instrument through other comprehensive income

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

9 Employee retirement benefits

A. Defined contribution plans

The Company does not have any defined contribution plans.

B. Defined benefit plan

Retirement Gratuity (Unfunded)

The Company has a defined benefit gratuity plan in India (unfunded). The company's defined benefit gratuity plan is a final salary plan for employees. Gratuity is paid from company as and when it becomes due and is paid as per company scheme for Gratuity.

The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation. The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the amounts recognised in the balance sheet for the respective plans:

	31ST MARCH, 2021	31ST MARCH, 2020
Principal actuarial assumptions at the balance sheet date :		
Mortality table	Indian Assured Lives Mortality (2006-08) Ult table	Indian Assured Lives Mortality (2006-08) Ult table
Discount rate	6.26%	6.59%
Salary escalation (p.a.)	10.00%	10.00%
Employee attrition rate	10.00%	10.00%
Changes in the defined benefit obligation :		
Opening defined benefit obligation	2.10	-
Current service cost	0.79	2.10
Past service cost	-	-
Liability Transferred In/ Acquisitions	1.49	-
Interest on defined benefit obligation	0.18	-
Benefits paid directly by employer	(0.91)	-
Remeasurements due to:	-	-
Actuarial loss / (gain) arising from changes in financial assumptions	0.12	-
Actuarial loss / (gain) arising from changes in demographic assumptions	-	-
Actuarial loss / (gain) arising on account of experience changes	0.52	-
Closing defined benefit obligation	4.29	2.10
Change in fair value of plan assets :	-	-
Opening fair value of plan assets	-	-
Contribution by employer	-	-
Interest on plan asset	-	-
Remeasurements due to:		
Actual return on plan assets less interest on plan assets	-	-
Benefits paid	-	-
Fair value of plan assets as at end of the year	-	-
Amount recognised in Balance Sheet :		
Present value of funded defined benefit obligation	(4.29)	(2.10)
Fair value of plan assets	-	-
Net liability recognised in Balance Sheet	(4.29)	(2.10)
Profit and loss account expense :		
Current service cost	0.79	2.10
Past service cost	-	-

Category of Assets

Investments quoted in active market	-	-
-------------------------------------	---	---

Unquoted investments :

Insurer managed funds	-	-
-----------------------	---	---

Sensitivity Analysis :

Projected Benefit Obligation on Current Assumptions	4.29	2.10
Delta Effect of +1% Change in Rate of Discounting	(0.35)	(0.18)
Delta Effect of -1% Change in Rate of Discounting	0.41	0.21
Delta Effect of +1% Change in Rate of Salary Increase	0.39	0.20
Delta Effect of -1% Change in Rate of Salary Increase	(0.34)	(0.18)
Delta Effect of +1% Change in Rate of Employee Turnover	(0.11)	(0.06)
Delta Effect of -1% Change in Rate of Employee Turnover	0.13	0.07

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There are no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Projected Plan Cash Flow :

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date :

Maturity Profile

Expected benefits for year 1	0.24	0.27
Expected benefits for year 2	0.27	0.13
Expected benefits for year 3	0.26	0.15
Expected benefits for year 4	0.35	0.15
Expected benefits for year 5	0.68	0.14
Sum of Expected benefits for year 6 to year 10	1.50	0.70
Sum of Expected benefits for year 11 and above	5.18	2.84

The weighted average duration to the payment of these cash flows is 10 years.

Risk Associated with Defined Benefit Plan

Gratuity is a defined benefit plan and the Company is exposed to the Following Risks :

Interest Rate Risk : A fall in the discount rate which is linked to the Government Securities Rate will increase the present value of the liability requiring higher provision.

Salary Risk : The present value of the defined benefit plan liability is calculated by reference to the future salary of members. As such an increase in the salary of members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from own funds.

Mortality risk : Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

During the year, there were no plan amendments, curtailments and settlements.

C. Other long term benefits

1) Amount recognised as a liability in respect of compensated leave absences as per actuarial valuation as on 31st March, 2021 is INR 4.59 lakhs. (as on 31st March 2020 is INR 2.09 lakhs).

(Currency: INR in Lakhs)

B. Fair Value Hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

Level 1 - Quoted prices in an active market: This level of hierarchy includes financial assets and liabilities that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Valuation techniques with observable inputs: This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e.; as prices) or indirectly (i.e.; derived from prices).

Level 3 - Valuation techniques with significant unobservable inputs: This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis:

As at March 31, 2021

	Level 1	Level 2	Level 3
Financial Assets			
Investments in equity instruments	14,30,806.42		-
	14,30,806.42	-	-

As at March 31, 2020

	Level 1	Level 2	Level 3
Financial Assets			
Investments in equity instruments	9,39,717.39		-
	9,39,717.39	-	-

The following table shows the valuation techniques used in measuring Level 1, Level 2 and Level 3 fair values for financial instruments measured at fair value in the balance sheet, as well as the significant unobservable inputs used.

Type	Valuation technique
Investments in equity instruments	Published Market Value

There have been no transfers between Level 1 and Level 2 for the years ended 31st March, 2021 and 31st March, 2020.

13 Financial instruments and associated risks

The Company has exposure to the following risks from its use of financial instruments

- Credit risk
- Liquidity risk
- Market risk
- Interest Rate Risk

The Company has a risk management framework which not only covers the market risks but also other risks associated with the financial assets and liabilities such as interest rate risks and credit risks.

The risk management framework is approved by the Board of Directors. The risk management framework aims to:

- (i) create a stable business planning environment by reducing the impact of interest rate fluctuations on the Company's business plan.
- (ii) achieve greater predictability to earnings by determining the financial value of the expected earnings in advance.

Credit Risk:

Credit risk is the risk of financial loss to the company if a counter-party fails to meet its contractual obligations.

Trade receivables

Credit risk with respect to trade receivables is limited, since the trade receivables amount is NIL.

Cash and cash equivalents

The company holds cash and cash equivalents of INR 317.41 lakhs as at 31 March 2021 (31 March 2020: INR 1,393.58 lakhs). The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

Liquidity Risk:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Company, market risk primarily impacts financial instruments measured at fair value through profit or loss.

Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates which are measured at amortised cost.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

(Currency: INR in Lakhs)

14 Disclosure required as per Reserve Bank Of India Notification No. DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated March 13, 2020

The Company does not have any loan assets as on 31st March 2021 and hence no disclosure applicable thereto.

15 Disclosure required as per Reserve Bank of India Master Direction – Core Investment Companies (Reserve Bank) Directions, 2016

Public disclosure on liquidity risk

(i) Funding Concentration based on significant counterparty (both deposits and borrowings)

Sr. No.	No. of significant Counter Parties	Amount (INR in Lakh)	% of Total Deposits	% of Total Liabilities
1	9	1,18,738.34	-	57.21%
	TOTAL	1,18,738.34	-	57.21%

Note:

- A "Significant counterparty" is defined as a single counterparty or group of connected or affiliated counterparties accounting in aggregate for more than 1% of the NBFC-NDSI's, NBFC-Ds total liabilities and 10% for other non-deposit taking NBFCs.

- Total Liabilities has been computed as Total Assets less Equity share capital less Reserve & Surplus and computed basis extant regulatory ALM guidelines.

(ii) Top 20 large deposits (amount in ₹ Lakh and % of total deposits) - Not Applicable

	Amount (INR in Lakh)	% of Total Borrowings
	Nil	Nil

(iii) Top 10 borrowings (amount in ₹ lakh and % of total borrowings)

	Amount (INR in Lakh)	% of Total Borrowings
	1,19,462.32	99.83%

(iv) Funding Concentration based on significant instrument/product

Sr. No.	Name of the instrument/product	Amount (INR in Lakh)	% of Total Borrowings
a	Listed Non-Convertible, Redeemable Debentures	21,948.52	18.34%
b	Borrowings from Financial Institutions	96,789.82	80.89%
		1,18,738.33	99.23%

Note:

- A "significant instrument/product" is defined as a single instrument/product or group of similar instruments/products which in aggregate amount to more than 1% of the NBFC-NDSI's, NBFC-Ds total liabilities and 10% for other non-deposit taking NBFCs.

(v) Stock Ratios:

Sr. No.	Particulars	Ratios
1	Commercial papers as a % of total public funds	Nil
2	Commercial papers as a % of total public funds, total liabilities	Nil
3	Commercial papers as a % of total assets	Nil
4	Non-convertible debentures (original maturity of less than one year) as a % of total public funds	Nil
5	Non-convertible debentures (original maturity of less than one year) as a % of total liabilities	Nil
6	Non-convertible debentures (original maturity of less than one year) as a % of total assets	Nil
7	Other short-term liabilities, if any as a % of total public funds	100.30%
8	Other short-term liabilities, if any as a % of total liabilities	57.38%
9	Other short-term liabilities, if any as a % of total assets	8.31%

Note: Short term liabilities include financial liabilities and non-financial liabilities with maturity pattern of less than one year.

(vi) Institutional set-up of liquidity risk management

The Board of Directors of the Company has constituted the Asset Liability Management Committee and the Risk Management Committee. The Asset Liability Management Committee is supported by Asset Liability Management Support Group to analyse, monitor and report the liquidity risk profile to the Asset Liability Management Committee.

The Asset Liability Management Committee reviews the liquidity risk management, funding and capital planning, analyzing different scenarios and preparation of contingency plans. Further, the Risk Management Committee monitors and measures the risk profile of the Company.

The Company manages liquidity risk in accordance with the Company's Asset Liability Management Policy. The Company manages liquidity risk by maintaining sufficient cash surplus and by keeping adequate amount of committed credit lines to meet its repayment obligations.

Amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act	Nil	Nil
Amount of interest accrued and remaining unpaid at the end of the accounting year	Nil	Nil
Amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises, under Section 23 of the MSMED Act	Nil	Nil

19 Capital management

Equity share capital and other equity are considered for the purpose of Company's capital management. The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to the Shareholders. The capital structure of the Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence. The funding requirements are met through equity and operating cash flows generated. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

20 The Secured Listed Redeemable Non-Convertible Debentures (NCD) of INR 198 crore issued by the Company are secured by 59,37,000 equity shares of Asian Paints Limited and the required asset cover for the said NCD is 4:00 times. As on 31st March 2021, the Company has maintained the asset cover of 6:86 times of the NCDs issued. Said information is provided in accordance to the provisions of Regulation 54 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Other information:

Credit Rating CRISIL AA+/STABLE

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SATTVA HOLDING AND TRADING PRIVATE LIMITED

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of **SATTVA HOLDING AND TRADING PRIVATE LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary Canes Venatici Trading Private Limited (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, the consolidated loss, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the consolidated financial statements for the year ended March 31, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Director's Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to

influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary company have adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and the subsidiary company included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company and the subsidiary company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and the subsidiary company, none of the directors of the Holding Company and its subsidiary company incorporated in India, is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements and the operating effectiveness of such controls, refer to our separate report in Annexure 'A' which is based on the auditor's reports of the Holding Company and its subsidiary company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements of those companies.
- (g) With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act. No remuneration has been paid by the subsidiary company.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us, we further report that:

**KALYANIWALLA
& MISTRY LLP**

- i. There were no pending litigations which would impact the consolidated financial position of the Group.
- ii. The Group did not have any long - term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India.

Annexure 'A' to the Independent Auditor's Report

The Annexure referred to in Para (f) under 'Report on Other Legal and Regulatory Requirements' of our Independent Auditors' Report to the members of the Company on the consolidated Ind AS financial statements for the year ended March 31, 2021:

Report on the Internal Financial Controls With Reference To Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **SATTVA HOLDING AND TRADING LIMITED** ("the Holding Company") and its subsidiary company Canes Venatici Trading Private Limited (the Holding Company and its subsidiaries together referred to as "the Group") as at March 31, 2021 in conjunction with our audit of the consolidated Ind AS financial statements of the Group for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding Company and its subsidiary company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to financial statements of the Holding Company and its subsidiary company.

Meaning of Internal Financial Controls with reference to financial statements

A Group's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and directors of the Group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary company, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were generally operating effectively as at March 31, 2021, based on the internal control with reference to financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

1) Background Information

Sattva Holding and Trading Private Limited (the "Holding Company"/ "Parent") (formerly Isis Holding and Trading Company Private Limited) is a private limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956 with its registered office in Mumbai, Maharashtra, India. The Holding Company changed its name during the year ending 31st March, 2018 after obtaining necessary approvals from the Registrar of Companies. The Holding Company has been registered as Non-Banking Financial Company- Core Investment Company- Non Deposit taking – Systemically Important (NBFC-CIC-ND-SI) with Reserve Bank of India (RBI) on 21st June 2019. The Holding Company is engaged in the business of investments in shares and securities.

Its wholly owned subsidiary company, Canes Venatici Trading Private Limited is engaged in business as Importer, Exporters, distributors, agents of the goods and merchandise and service, General Merchant, traders, dealers, del- credere agents in all the items, etc. The company and its subsidiary together are referred to as the "Group".

The Holding Company has become listed effective 5th February, 2020 consequent to issuance of Secured Rated Listed Redeemable Transferable Non - Convertible Debentures through private placement.

The functional and presentation currency of the Group is the Indian Rupee which is the currency of the primary economic environment in which the Group operates.

Mefree LLP is the ultimate parent of the Holding Group and Rayirth Holding and Trading Company Private Limited is the Holding Company of Sattva Holding and Trading Private Limited. Information on other related party relationships of the Group is provided in Note 10.

The consolidated financial statements of the Group for the year ended 31st March, 2021 were approved and authorised for issue by Board of Directors on 31st May, 2021.

2) Significant accounting policies followed by the Company

The significant accounting policies applied by the Group in the preparation of its consolidated financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these consolidated financial statements, unless otherwise indicated.

a) Basis of preparation :

(i) Statement of Compliance with Ind AS

The consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the years presented in the consolidated financial statements.

(ii) Basis of preparation and presentation of consolidated financial statements

The consolidated financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments measured at fair value at the end of each reporting period as explained in accounting policies below.

The Group presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non- current) is presented in Note 11

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated

(iii) Significant accounting judgements, estimates and assumptions

The consolidated financial statements comprise of the financial statements of Sattva Holding and Trading Private Limited (the Holding Group) and its wholly - owned subsidiary. The consolidated financial statements are prepared in accordance Ind AS 110 "Consolidated Financial Statements".

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

The Group consolidates a subsidiary when it controls it. Control is achieved when the parent is exposed to, or has rights, to the variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases. Specifically, income and expenses of a subsidiary acquired or disposed off during the year are included in the consolidated statement of profit and loss from the date the Group gains control until the date when the Group ceases to control the subsidiary.

The financial statements of the Holding Group and its wholly - owned subsidiary is consolidated on a line by line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances, intra-group transactions and unrealised gain or loss, thereon have been fully eliminated. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. Profit or loss and each component of OCI are attributed to the equity holders of the parent of the Group.

Wherever necessary, adjustments are made to the financial statements of wholly - owned subsidiary to bring its accounting policies in line with those used by the Group.

The financial statements of the subsidiary used for the purpose of consolidation is drawn up to same reporting date as that of the parent Group, i.e., year ended on 31st March.

The subsidiary considered in the consolidated financial statements are:

Name of subsidiaries	Country of incorporation	% of Voting power
Canes Venatici Trading Private Limited	India	100%

(iv) Significant accounting judgements, estimates and assumptions

The preparation of consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Group to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of consolidated financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Key sources of estimation of uncertainty at the date of the consolidated financial statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year is in respect of:

- impairment test of non-financial assets: key assumptions underlying recoverable amounts including the recoverability of expenditure on intangible assets;
- recognition of deferred tax assets;
- measurement of defined benefit obligations: key actuarial assumptions;
- Financial instruments – Fair values, risk management and impairment of financial assets
- estimates of useful lives and residual value of Property, Plant and Equipment and Other Intangible Assets
- recognition and measurement of provisions and contingencies; key assumptions about the likelihood and magnitude of an outflow of resources, if any.

(v) Fair value measurements

When the fair value of financial assets or financial liabilities recorded or disclosed in the consolidated financial statements cannot be measured at the quoted price in the active markets, their fair value is measured using the valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values, judgments includes consideration of inputs such as liquidity risk , credit risk and volatility.

b) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

c) Financial Instruments

(i) Classification

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instruments of another entity.

Financial assets, other than equity, are classified into financial assets at fair value through other comprehensive income (FVOCI) or fair value through profit and loss account (FVTPL) or at amortised cost. Financial assets that are equity instruments are classified as FVTPL or FVOCI. Financial liabilities are classified as amortised cost category and FVTPL.

Business Model assessment and Solely payments of principal and interest (SPPI) test:

Classification and measurement of financial assets depends on the business model and results of SPPI test. The Group determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including;

- how the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- how managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).

(ii) Initial recognition

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of profit and loss.

(iii) Subsequent measurement

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

Equity Instruments at FVOCI

The Group's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 'Financial Instruments: Presentation' and are not held for trading.

Gains and losses on these equity instruments are never recycled to profit or loss. Dividends from these equity investments are recognised in the statement of profit and loss when the right to receive the payment has been established.

Financial assets at Fair value through Profit and loss

Financial assets are measured at FVTPL unless it is measured at amortised cost or at FVOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit and loss are immediately recognised in profit or loss.

Financial Liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Financial Liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is also recognised as profit or loss respectively.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Other Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost using effective interest rate method where the time value of money is significant. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximates the fair value due to the short maturity of these instruments.

(iv) Derecognition of Financial assets and Financial liabilities

The Group derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

A financial liability is derecognised when, and only when, the obligation under the liability is discharged, cancelled or expired.

(v) Impairment of financial instruments

The Group recognizes a loss allowance for expected credit losses on a financial asset that is at amortized cost or fair value through OCI. Loss allowance in respect of financial assets is measured at an amount equal to life time expected credit losses and is calculated as the difference between their carrying amount and the present value of the expected future cash flows discounted at the original effective interest rate.

(vi) Reclassification of Financial assets

The Group does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the Group changes its business model for managing such financial assets. The Group does not re-classify its financial liabilities.

d) Determination of fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Group determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

e) Foreign currency transactions and translation

The management of the Group has determined Indian Rupee ("INR") as the functional currency of the Group. In preparing the consolidated financial statements, transactions in currencies other than the entity's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Non-monetary items carried at fair value that are denominated in foreign currencies are re-translated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

Exchange differences arising out of these translations are recognised in the Statement of Profit and Loss.

f) Property, Plant and Equipment and Other Intangible Assets

Property, plant and equipment and other intangible assets are stated at cost of acquisition less accumulated depreciation / amortisation and accumulated impairment losses, if any. Cost includes all expenses incidental to the acquisition of the property, plant and equipment and any attributable cost of bringing the asset to its working condition for its intended use. Subsequent costs are capitalised only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repair and maintenance costs are recognized in statement of profit and loss as incurred.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Capital work in progress and Capital advances

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment and other intangible assets outstanding at each Balance Sheet date are disclosed in Other Non-Financial Assets.

Depreciation of property plant and equipment

Depreciation on property, plant and equipment is provided on written down value basis as per the useful life prescribed in Schedule II of the Companies Act, 2013, taking residual value as Re.1/-. Further, assets individually costing INR 5,000/- or less are fully depreciated in the year of purchase.

Nature of property, plant and equipment	Useful life in years
Office Equipment	5 years
Computer	3 years

The Group provides pro-rata depreciation from the date the asset is ready for its intended use and in respect of assets sold, depreciation is provided upto the date of disposal.

The residual values, estimated useful lives and method of depreciation of property, plant and equipment are reviewed at end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Amortisation of other intangible assets

Intangible assets comprising of software purchased are amortized on a written down value over the useful life of the software commencing from the year in which such software is first ready for its intended use. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Derecognition of property, plant and equipment and other intangible assets

Property, plant and equipment and other intangible assets are derecognised on disposal or when no future economic benefits are expected to arise from its continuous use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property, plant and equipment and other intangible assets is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

g) Leases

The Group's lease asset classes primarily consist of lease for office premises. The Group assesses whether a contract contains a lease at the inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether : (i) the contract involves the use of an identified asset; (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease, and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low-value leases. For these short-term and low-value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Lease liability has been included under 'Other Financial Liabilities' in the Balance Sheet and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

h) Impairment of non - financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the statement of profit and loss in the period in which impairment takes place.

A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods. A reversal of an impairment loss is recognised immediately in the statement of profit and loss.

i) Revenue recognition

(i) Interest Income or interest expense

Under Ind AS 109 interest income or expense is recorded using the effective interest rate (EIR) method for all financial instruments measured at amortised cost. The EIR is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

(ii) Dividend income

Dividend income (including from FVOCI investments) is recognised when the Group's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when the shareholders approve the dividend.

(iii) Gain and loss from financial instruments

The realised gains / losses from financial instruments at FVTPL represents the difference between the carrying amount of a financial instrument at the beginning of the reporting period, or the transaction price if it was purchased in the current reporting period, and its settlement price.

The unrealised gains / losses represents the difference between the carrying amount of a financial instrument at the beginning of the period, or the transaction price if it was purchased in the current reporting period, and its carrying amount at the end of the reporting period.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

j) Employee benefits

(i) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the year.

(ii) Post Employment Benefits

Defined Contribution Plans

The Group's state governed provident fund scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

Defined Benefit Plans - Gratuity

The Group's gratuity scheme is a defined benefit plan. The Group's net obligation in respect of the gratuity benefit is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of plan assets, if any, is deducted from such determined present value.

The discount rate used for determining the present value is based on the Indian Government Securities yields prevailing as at the balance sheet date that have maturity date equivalent to the tenure of the obligation.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at the end of each annual reporting period.

Remeasurements arising from defined benefit plans, comprising of actuarial gains and losses, the return on plan assets in excess of what has been estimated and the effect of the asset ceiling, if any, in case of over funded plans are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. All other expenses related to defined benefit plans is recognised in employee benefit expenses in statement of profit and loss. Remeasurements are not reclassified to profit or loss in subsequent periods.

When the benefits of the plan are changed, or when a plan is curtailed or settlement occurs, the portion of the changed benefit related to past service by employees, or the gain or loss on curtailment or settlement, is recognized immediately in the profit or loss account when the plan amendment or when a curtailment or settlement occurs.

(iii) Other Long term Benefits - Compensated absences

Compensated absences are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date. The Group's liability towards compensated absences is determined on the basis of valuations, as at balance sheet date, carried out by an independent actuary using Projected Unit Credit Method. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the statement of profit and loss.

k) Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest method.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

l) Accounting for provisions contingent liabilities and contingent assets

Provisions are recognised in the balance sheet when the Group has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, the amount of a provision shall be the present value of the expenditures expected to be required to settle the obligation. Contingent liabilities are not recognised in the consolidated financial statements. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Group does not recognise contingent asset.

Provisions, contingent assets, contingent liabilities and commitments are reviewed at each balance sheet date.

SATTVA HOLDING AND TRADING PRIVATE LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

m) **Taxation**

Income tax expense comprises both current and deferred tax. Current and deferred taxes are recognised in the statement of profit and loss except when they relate to items credited or debited either in other comprehensive income or directly in equity in which case the tax is also recognised in other comprehensive income or directly in equity.

Current Tax

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax assets and liabilities are recognised on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the consolidated financial statements.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

n) **Earnings per share**

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Group by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. In computing diluted earnings per share, only potential equity shares that are dilutive are included.

o) **Dividends on ordinary shares**

The Group recognises a liability to make cash distributions to equity holders of the Group when the distribution is authorised and the distribution is no longer at the discretion of the Group. As per the Companies Act, 2013, a final dividend is authorised when it is approved by the shareholders in the annual general meeting. A corresponding amount is recognised directly in equity.

p) **Segment reporting**

The Group is primarily engaged in the business of investment in Companies including group companies. As such the Group's consolidated financial statements are largely reflective of the investment business and there is no separate reportable segment. Pursuant to Ind AS 108 - Operating Segments, no segment disclosure has been made in these consolidated financial statements as the Group has only one geographical segment and no other separate reportable business segment.

Investments pledged against Borrowings

Of the above investments, 18,224,500 shares (31.March.2020 : 23,785,344 shares;) of Asian Paints Limited are pledged against borrowings.

Investment in Equity instruments designated at fair value through other comprehensive income

The Group has elected to designate the investment in equity shares, which are neither held for trading nor received as contingent consideration in business combination, at fair value through other comprehensive income (FVOCI). The Group chose the option of designating these investments to be recognised as FVOCI, as these equity instruments are not held for trading and management has elected to classify the same irrevocably as equity instruments at FVOCI.

Reclassification

During the current or previous reporting periods the Group has not reclassified any investments since its initial classification.

The Group has not transferred any Financial assets which are transferred but are not derecognised in books of accounts.

More information regarding the valuation methodologies can be found in Note 12.

	12,24,594.98	7,97,710.49
Nature of reserves		

a) Statutory Reserve

It represent reserve created under Section 45-IC of the Reserve Bank of India Act, 1934, as amended by RBI (Amendment) Act, 1997, whereby every non banking financial company is required to transfer a sum of not less than 20% of its net profit every year as disclosed in the statement of profit and loss to statutory reserve.

b) Retained Earnings

Retained earnings are the profits that the Group has earned till date, less any transfers to statutory reserve as per Section 45-IC of the Reserve Bank of India Act. 1935.

c) Equity instrument through other comprehensive income

The Group has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Group transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

9 Employee retirement benefits

A. Defined contribution plans

The Group does not have any defined contribution plans.

B. Defined benefit plan

Retirement Gratuity (Unfunded)

The Group has a defined benefit gratuity plan in India (unfunded). The Group's defined benefit gratuity plan is a final salary plan for employees. Gratuity is paid from Group as and when it becomes due and is paid as per Group scheme for Gratuity.

The Group accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation. The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the amounts recognised in the balance sheet for the respective plans:

	31ST MARCH, 2021	31ST MARCH, 2020
Principal actuarial assumptions at the balance sheet date :		
Mortality table	Indian Assured Lives Mortality (2006-08) Ult table	Indian Assured Lives Mortality (2006-08) Ult table
Discount rate	6.26%	6.59%
Salary escalation (p.a.)	10.00%	10.00%
Employee attrition rate	10.00%	10.00%
Changes in the defined benefit obligation :		
Opening defined benefit obligation	2.10	-
Current service cost	0.79	2.10
Past service cost	-	-
Liability Transferred In/ Acquisitions	1.49	-
Interest on defined benefit obligation	0.18	-
Benefits paid directly by employer	(0.91)	-
Remeasurements due to:	-	-
Actuarial loss / (gain) arising from changes in financial assumptions	0.12	-
Actuarial loss / (gain) arising from changes in demographic assumptions	-	-
Actuarial loss / (gain) arising on account of experience changes	0.52	-
Closing defined benefit obligation	4.29	2.10
Change in fair value of plan assets :	-	-
Opening fair value of plan assets	-	-
Contribution by employer	-	-
Interest on plan asset	-	-
Remeasurements due to:		
Actual return on plan assets less interest on plan assets	-	-
Benefits paid	-	-
Fair value of plan assets as at end of the year	-	-
Amount recognised in Balance Sheet :		
Present value of funded defined benefit obligation	(4.29)	(2.10)
Fair value of plan assets	-	-
Net liability recognised in Balance Sheet	(4.29)	(2.10)
Profit and loss account expense :		
Current service cost	0.79	2.10
Past service cost	-	-
Interest on net defined liability	0.18	-
Total expense charged to profit and loss account	0.97	2.10

Category of Assets

Investments quoted in active market	-	-
-------------------------------------	---	---

Unquoted investments :

Insurer managed funds	-	-
-----------------------	---	---

Sensitivity Analysis :

Projected Benefit Obligation on Current Assumptions	4.29	2.10
Delta Effect of +1% Change in Rate of Discounting	(0.35)	(0.18)
Delta Effect of -1% Change in Rate of Discounting	0.41	0.21
Delta Effect of +1% Change in Rate of Salary Increase	0.39	0.20
Delta Effect of -1% Change in Rate of Salary Increase	(0.34)	(0.18)
Delta Effect of +1% Change in Rate of Employee Turnover	(0.11)	(0.06)
Delta Effect of -1% Change in Rate of Employee Turnover	0.13	0.07

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There are no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Projected Plan Cash Flow :

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date :

Maturity Profile

Expected benefits for year 1	0.24	0.27
Expected benefits for year 2	0.27	0.13
Expected benefits for year 3	0.26	0.15
Expected benefits for year 4	0.35	0.15
Expected benefits for year 5	0.68	0.14
Sum of Expected benefits for year 6 to year 10	1.50	0.71
Sum of Expected benefits for year 11 and above	5.18	2.84

The weighted average duration to the payment of these cash flows is 10 years.

Risk Associated with Defined Benefit Plan

Gratuity is a defined benefit plan and the Company is exposed to the Following Risks :

Interest Rate Risk : A fall in the discount rate which is linked to the Government Securities Rate will increase the present value of the liability requiring higher provision.

Salary Risk : The present value of the defined benefit plan liability is calculated by reference to the future salary of members. As such an increase in the salary of members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Group has to manage pay-out based on pay as you go basis from own funds.

Mortality risk : Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

During the year, there were no plan amendments, curtailments and settlements.

C. Other long term benefits

1) Amount recognised as a liability in respect of compensated leave absences as per actuarial valuation as on 31st March, 2021 is INR 4.59 lakhs. (as on 31st March 2020 is INR 2.09 lakhs).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

(Currency: INR in Lakhs)

B. Fair Value Hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

Level 1 - Quoted prices in an active market: This level of hierarchy includes financial assets and liabilities that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Valuation techniques with observable inputs: This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e.; as prices) or indirectly (i.e.; derived from prices).

Level 3 - Valuation techniques with significant unobservable inputs: This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis:

As at March 31, 2021

	Level 1	Level 2	Level 3
Financial Assets			
Investments in equity instruments	14,30,806.42		-
	14,30,806.42	-	-

As at March 31, 2020

	Level 1	Level 2	Level 3
Financial Assets			
Investments in equity instruments	9,39,717.39		-
	9,39,717.39	-	-

The following table shows the valuation techniques used in measuring Level 1, Level 2 and Level 3 fair values for financial instruments measured at fair value in the balance sheet, as well as the significant unobservable inputs used.

Type	Valuation technique
Investments in equity instruments	Published Market Value

There have been no transfers between Level 1 and Level 2 for the years ended 31st March, 2021 and 31st March, 2020.

13 Financial instruments and associated risks

The Group has exposure to the following risks from its use of financial instruments

- Credit risk
- Liquidity risk
- Market risk
- Interest Rate Risk

The Group has a risk management framework which not only covers the market risks but also other risks associated with the financial assets and liabilities such as interest rate risks and credit risks.

The risk management framework is approved by the Board of Directors. The risk management framework aims to:

- (i) create a stable business planning environment by reducing the impact of interest rate fluctuations on the Company's business plan.
- (ii) achieve greater predictability to earnings by determining the financial value of the expected earnings in advance.

Credit Risk:

Credit risk is the risk of financial loss to the Group if a counter-party fails to meet its contractual obligations.

Trade receivables

Credit risk with respect to trade receivables is limited, since the trade receivables amount is NIL.

Cash and cash equivalents

The Group holds cash and cash equivalents of INR 318.57 lakhs as at 31 March 2021 (31 March 2020: INR 1,396.11 lakhs). The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

Liquidity Risk:

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they become due. The Group manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Group's reputation.

Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Group, market risk primarily impacts financial instruments measured at fair value through profit or loss.

Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates which are measured at amortised cost.

15 Corporate Social Responsibility (CSR)

As per the provisions of the Section 135 of the Act, Gross amount required to be spent by the Company during the year was INR NIL.

16 Due to micro and small suppliers

Sundry creditors do not include any amount payable to Small Scale Industrial Undertakings and Micro, Small and Medium Enterprises. Under the Micro, Small and Medium Enterprises Development Act, 2006, (MSMED) which came into force from 2 October 2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. On the basis of the information and records available with the management, the following disclosures are made for the amounts due to the Micro, Small and Medium enterprises, who have registered with the competent authorities.

	31st March, 2021	31st March, 2020
Principal amount remaining unpaid to any supplier as at the year end	Nil	Nil
Interest due thereon	Nil	Nil
Amount of interest paid by the Group in terms of section 16 of the MSMED Act, along with the amount of the payment made to the supplier beyond the appointed day during the accounting year	Nil	Nil
Amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act	Nil	Nil
Amount of interest accrued and remaining unpaid at the end of the accounting year	Nil	Nil
Amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises, under Section 23 of the MSMED Act	Nil	Nil

17 Capital management

Equity share capital and other equity are considered for the purpose of Holding Company's capital management. The Holding Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to the Shareholders. The capital structure of the Holding Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence. The funding requirements are met through equity and operating cash flows generated. The Holding Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.
