EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 2:

Section 197 of the Companies Act, 2013 ("the Act") read with Schedule V thereto, which governs the overall managerial remuneration payable by a company, does not apply to a private company by virtue of the exemption granted vide Notification No. G.S.R. 08(E) dated 5th June, 2015 issued by the Ministry of Corporate Affairs, and the Company, being a private limited company, is accordingly not bound by the ceilings prescribed under Sections 196 and 197 of the Act.

However, as a matter of good corporate governance and prudent practice, and with a view to recognising and appropriately compensating the Directors for the time, effort and expertise contributed by them

towards the Company's affairs, the Board of Directors has recommended that the members' approval be obtained for payment of commission to the Directors of the Company (other than the Managing Director/ Whole-time Director, if any), for each financial year, up to a ceiling of 2% (two percent) of the net profits of the Company, computed in the manner laid down under Section 198 of the Act. The commission so approved can be paid and distributed amongst the Directors or some or any of them, in such amount, proportion and manner as the Board of Directors may, in its absolute discretion, decide from time to time, and shall be in addition to any sitting fees payable to the Directors for attending meetings of the Board or its Committees.

It is clarified that this resolution is an enabling resolution and merely accords approval to the Company to pay commission to the Directors up to the ceiling of 2% (two percent) of the net profits, as and when the Board of Directors deems fit. The passing of this resolution shall not be construed as an obligation or commitment on the part of the Company to declare or pay commission to the Directors in any particular financial year, and the decision to declare and pay such commission, including the year(s) in which it is paid and the quantum thereof, shall remain entirely at the discretion of the Board of Directors.

All the Directors of the Company shall be deemed to be concerned or interested in the resolution set out at Item No. 2 of the Notice, to the extent of the commission that may be paid or payable to them. None of the Key Managerial Personnel of the Company, or their relatives, are, in any way, concerned or interested, financially or otherwise, in the said resolution.

The Board recommends the resolution set out at Item No. 2 of the Notice for approval of the members as an Ordinary Resolution.

BOARD'S REPORT

Your Directors have pleasure in presenting the Sixteenth Annual Report of the Company along with the Audited Financial Statements for the financial year ended 31st March, 2026.

INDEPENDENT AUDITOR'S REPORT

To the Members of Sattva Holding and Trading Private Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of Sattva Holding and Trading Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit and total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the financial Statements" section of our report. We are independent of the Company in accordance with the "Code of Ethics" issued by The Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Matter

The comparative financial statements of the Company for the preceding year ended March 31, 2025, are based on the previously issued financial statements as audited by the predecessor auditor who expressed an unmodified opinion on those financial statements in their report dated May 23, 2025. We have relied upon these reports for the purpose of audit of the financial statements.

Our Opinion is not modified in respect of these matters

Information Other than the financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and Corporate Governance, but does not include the financial statements and our auditor's report thereon. The aforesaid other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, the Statement of Cash Flows and notes to the financial statements dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act;

- e. On the basis of written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act;
- f. With respect to the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A";
- g. Since the Company is a private limited company, reporting under Section 197(16) of the Act, as amended, is not applicable;
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigation as at March 31, 2026, which would impact its financial position;
 - ii. The Company did not have any long-term contract including derivative contract for which there were any material foreseeable losses as required under the applicable law or accounting standards;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries [Refer Note 30(v) to the financial statements];
(b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or

entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries [Refer Note 30(vi) to the financial statements];

- (c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided in (a) and (b) above, contain any material misstatement.
 - v. Since the Company has neither declared nor paid any dividend during or for the year, the question of commenting on whether the same is in accordance with Section 123 of the Act does not arise.
 - vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. According to the information and explanations given to us, the database of the accounting software used by the Company is encrypted and does not allow direct database level alterations, and accordingly, the audit trail feature at the database level is not necessary. The Company has preserved the audit trail in accordance with the statutory requirements for record retention, to the extent applicable.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we enclose in the "Annexure B", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1(f) under the heading of "Report on Other Legal and Regulatory Requirements" in our Independent Auditor's Report of even date on the financial statements for the year ended March 31, 2026.

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the financial statements of **Sattva Holding and Trading Private Limited ("the Company")** as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that:

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- c. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements for future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate due to changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to the financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal controls over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note.

a)	Statutory Reserve		
	The Transfer of profit to statutory reserve as required under section 45IC of the RBI Act is done annually instead of quarterly/half-yearly due to non-uniform receipt of dividends, which may lead to excess transfer, if done quarterly/half-yearly.		
b)	Retained Earnings		
	Retained earnings are the profits that the Company has earned till date, less any transfers to statutory reserve as per Section 45-IC of the Reserve Bank of India Act, 1935.		
c)	Equity instrument through other comprehensive income		
	The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVTOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

9 Employee retirement benefits		
A. Defined contribution plans		
The Company does not have any defined contribution plans.		
B. Defined benefit plan		
Retirement Gratuity (Unfunded)		
The Company has a defined benefit gratuity plan in India (unfunded). The company's defined benefit gratuity plan is a final salary plan for employees. Gratuity is paid from company as and when it becomes due and is paid as per company scheme for Gratuity.		
The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation. The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the amounts recognised in the balance sheet for the respective plans:

Projected Benefit Obligation on Current Assumptions	16.55	9.80
Delta Effect of +1% Change in Rate of Discounting	(0.96)	(0.63)
Delta Effect of -1% Change in Rate of Discounting	1.08	0.72
Delta Effect of +1% Change in Rate of Salary Increase	0.76	0.50
Delta Effect of -1% Change in Rate of Salary Increase	(0.73)	(0.57)
Delta Effect of +1% Change in Rate of Employee Turnover	(0.16)	(0.15)
Delta Effect of -1% Change in Rate of Employee Turnover	0.17	0.16

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There are no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Projected Plan Cash Flow :

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date :

Maturity Profile		
Expected benefits for year 1	1.39	0.76
Expected benefits for year 2	1.51	0.85
Expected benefits for year 3	1.55	0.84
Expected benefits for year 4	1.52	0.85
Expected benefits for year 5	5.47	0.84
Sum of Expected benefits for year 6 to year 10	4.43	4.72
Sum of Expected benefits for year 11 and above	12.78	8.17

The weighted average duration to the payment of these cash flows is 10 years.

Risk Associated with Defined Benefit Plan

Gratuity is a defined benefit plan and the Company is exposed to the Following Risks :

Interest Rate Risk : A fall in the discount rate which is linked to the Government Securities Rate will increase the present value of the liability requiring higher provision.

Salary Risk : The present value of the defined benefit plan liability is calculated by reference to the future salary of members. As such an increase in the salary of members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk : The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from own funds.

Mortality risk : Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

During the year, there were no plan amendments, curtailments and settlements.

C. Other long term benefits

Amount recognised as a liability in respect of compensated absences as per actuarial valuation as on March 31, 2026 is ₹ 9.04 lakhs. (as on March 31 2025 is ₹ 5.36 lakhs).

B. Fair Value Hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

Level 1 - Quoted prices in an active market: This level of hierarchy includes financial assets and liabilities that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Valuation techniques with observable inputs: This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e.; as prices) or indirectly (i.e.; derived from prices).

Level 3 - Valuation techniques with significant unobservable inputs: This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following table summarises financial assets measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis:

The following table shows the valuation techniques used in measuring Level 1, Level 2 and Level 3 fair values for financial instruments measured at fair value in the balance sheet, as well as the significant unobservable inputs used.

Type	Valuation technique
Investments in equity instruments	Published Market Value

There have been no transfers between Level 1 and Level 2 for the years ended March 31, 2026 and March 31, 2025.

13	Financial instruments and associated risks The Company has exposure to the following risks from its use of financial instruments: • Credit risk • Liquidity risk • Market risk • Interest Rate Risk The Company has a risk management framework which not only covers the market risks but also other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management framework is approved by the Board of Directors. The risk management framework aims to: (i) create a stable business planning environment by reducing the impact of interest rate fluctuations on the Company's business plan. (ii) achieve greater predictability to earnings by determining the financial value of the expected earnings in advance. Credit Risk: Credit risk is the risk of financial loss to the company if a counter-party fails to meet its contractual obligations. Trade receivables Credit risk with respect to trade receivables is limited, since the trade receivables amount is NIL. Cash and cash equivalents The company holds cash and cash equivalents of ₹ 318.85 lakhs as at March 31, 2026 (March 31, 2025: ₹ 89.99 lakhs). The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good. Bank Balance other than cash and cash equivalents The company holds bank balance other than cash and cash equivalents of ₹ lakh 2,125.93 has as at March 31, 2026 (March 31, 2025: ₹ 1,741.06 lakhs). The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good. Liquidity Risk: Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation. Market Risk: Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Company, market risk primarily impacts financial instruments measured at fair value through profit or loss. Interest Rate Risk: Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates which are measured at amortised cost.
